***Project Syndicate* Commentary Distribution**

In 2011, *Project Syndicate* distributed a total of 835 commentaries to its member newspapers. This is an increase of 18% from 2010. Furthermore, the following monthly authors joined *Project Syndicate* in 2011 – **Mohamed El-Erian, Jeffrey Frankel, Christopher Hill, Stephen Roach** and **Andrés Velasco**. *Project Syndicate* also launched its first ever economic weekly series entitled “***A New Global Economy.***”

Although a large number of publications are invariably missed due to the difficulty in tracking publication in *Project Syndicate* members in poor countries, in 2010, 20,768 *Project Syndicate* commentaries were published around the world. In 2011 we recorded 23,827 publications, an increase of roughly 16%.

***Project Syndicate* Translations**

In 2011, *Project Syndicate* continued providing translations of commentaries in nearly all major world languages. We also launched a new Portuguese translation service in October. The table below shows the number of translated commentaries distributed in each language.
